

SQUAMISH VALLEY GOLF CLUB PARTNERSHIP OFFERING

Dear Perspective Golf Travel Booking Businesses:

Thank you all for your continued support of our golf club and commitment to the success of all the courses you recommend to your clients. As you all know with the boom in the golf industry giving discounts for times that people would pay full price or more for has become a sticking point for many courses. We however, feel supporting small businesses in the industry such as yourselves is important and we will continue to offer you the best discounts we can to help support your businesses. For us it is tough to do better than what we give our members who bring guests to our course, but we are happy to at least offer the same. The following is our offering for the season should you choose to offer your clients SVGC as an option:

**Note: Primetime rates are our Member Guest Rate and After 1:00PM rates are Rack minus 18%
