

## **2025 Supplier Agreement**

### **Booking Policies**

- Regular bookings for the 2025 season are now available.
- Bookings will be taken up to 365 days in advance for groups of 8 or more players with Purcell golf approval.
- Reservations for parties 12 or less may book at any time available during the 2023 season.
- Golf reservations are generally made by email. A reservation request including day of play, number of players and the time requested must be sent to Simon Jones Director of golf. [simon@purcell.golf](mailto:simon@purcell.golf) Purcell golf will then process the reservation request with the closest possible tee time and return the email confirmation to you.
- All groups must have a representative sign a liability waiver claiming responsibility for the group and their golf carts, if applicable.
- Purcell golf will inform the supplier when standard maintenance procedures occur at the facility (i.e., greens aerification and any other procedure) so that the guests can be made aware of the situation. Suppliers are responsible to send this notification to the guest.

### **Cancellation Policies**

- Standard cancellation policy for groups of 12 or less is 24 hours prior to the scheduled tee time.
- For groups of more than 12, cancellations must be made three days prior to the day of play.
- No adjustments will be made within the 24 hours or on the booking day. Suppliers will be invoiced from the original booking.

### **2025 Supplier Rates \*\***

\*\* all rates are before applicable tax and include green fee, golf cart and driving range

Monday to Sunday - \$90.00 + taxes 8.00 AM – 3.00 PM
