

AFFILIATE PROGRAM

POWER
TRIPS

WHO WE ARE

Power Trips is an all electric, luxury vehicle rental service. Specializing in Tesla's, our vehicles boast a long range, no gas, zero emissions driving experience. Power Trips is the first, all electric rental fleet in the Okanagan Valley.

We proudly offer an easy-to-use, premier affiliate program.

HOW IT WORKS

- Our affiliate program allows our partner resorts, hotels, airlines, and other agents the ability to leverage the unique Power Trips experience into their offerings to their customers.
- Power Trips rentals or tours can be reserved by any of our affiliate partners through powertrips.ca using their unique code and either earn a percentage based commission on every booking OR a set discount off each booking.
- No lengthy login or password info required. Use a simple code of your choosing.
- Book hourly, daily, weekly or specialty packages, no restrictions. Perfect for weddings and special events. VIP pick ups also available upon request.
- All rentals include delivery and pick up of vehicle, direct to client. Please note, all drivers must be 25 years or older and have a valid drivers licence.
- Need something more tailored to your specific needs? Let us know. We are happy to help while still offering your full discount or commission.
