

Kamloops Wine Trail Thompson Valley

Kamloops Wine Trail - BC's Newest Wine Experience!

Visit the following wineries:

Privato Winery The inspiration behind the name Privato comes from the Italian word meaning private which aptly describes the wineries idyllic setting. A hidden gem in the heart of BC's exciting Thompson Valley wine region, Privato is a family owned boutique winery dedicated to the production of premium Burgundian styled wines. Woodward Cider Co. opened in May 2019 at Privato Winery. Cider tastings available on weekends & holidays only.

Monte Creek Ranch Winery Forging a new era of exploration for the Thompson Valley, Monte Creek Ranch offers the next frontier in winemaking. Just a 10 minute drive outside Kamloops City limits, Monte Creek Ranch aims to follow in the footsteps of the area's early explorers and uncover what the land can offer. Monte Creek Ranch also has an expansive full-service patio overlooking their vineyards where guests are welcome to choose items from their locally-sourced menu at their own expense.

Harper's Trail Estate Winery Named for the cattle drive "trail" of pioneer rancher Thaddeus Harper. It is the first winery from Kamloops. Tucked into the city outskirts on the bank of the South Thompson River it sits among rolling hills of sage and grass and is home to Bighorn sheep. The backdrop of limestone, Hoodoos, and a natural spring set the biodiversity of this rare place.
