Black Mountain Golf Club
575 Black Mountain Drive V1P 1P7 Kelowna BC

Black Mountain golf course is more than just a fun, unique, friendly full par-71 challenging golf course located in Kelowna, BC. It features 18-holes worth of breathtaking Okanagan landscape and a signature island green. We value spectacular, lush course conditions with a relaxed, inviting atmosphere. We're not trying to distract you from your game we just want to ensure you have the perfect ambiance.

Golf groups traveling on an Okanagan golf package have quickly learned the Black Mountain Golf Course is a course that provides extreme fun and a test of their golf skills. The front nine can be very demanding with critical position to allow for par chances and avoid the dreaded double bogie! Our favorite is hole number 4. An elevated tee box that varies in distance with the combination of tee box location (with a total of 5) along with pin placement and the wind direction. Golf tip - setup slightly right of the green, even if you do not draw the ball back, a kick off the hill if you are far enough will often provide very favorable!

The Grill at Black Mountain golf is our answer to what smells so good!? Mouth-watering locally influenced selections, The Grill will satisfy. With affordable prices, you won't mistake your bill for your scorecard. Enjoy an ice-cold beverage with friends after a round and find out why that's delicious is more than just a common saying around here. Nachos are a favorite at Black Mountain golf course restaurant.

Thoughtfully and meticulously crafted, Black Mountain golf is a multi-generational, master-planned golf community located in Kelowna, British Columbia.

Amenities: The 3700 square foot Clubhouse, commanding uninterrupted views of the course, is perfectly appointed for pre-and post-round relaxation. The restaurant, lounge and golf shop overlook the expansive patio.

Okanagan Golf Club (the Bear Course)

3200 Via Centrale V1V 2A4 Kelowna BC

The Bear Course at the Okanagan Golf Club is one of two spectacular golf courses at this 36 hole BC golf resort in Kelowna. The Bear's 18 hole 6,885 yard, par 72 masterpiece design opened for play in 1999 and is unlike any other golf course in British Columbia. With dramatic sculpted fairways surrounded by the forests and sage brush hills of B.C.'s sun-drenched southern interior, The Okanagan Golf Club Bear is the crown jewel course of the Okanagan Valley.

Crafted by Nicklaus Designs, one of the pre-eminent golf architecture firms in the world, The Okanagan Golf Club can prove as ferocious as a grizzly or as gentle as a teddy, depending on which set of tees you choose. On its hind legs the layout stretches to 6,885 yards. Well-placed bunkers, grassy swales and collection areas, sculpted moundings, and tiered greens lend the course some challenge. The routing climbs through forested hills on a plateau overlooking the Okanagan Valley.

The Bear's signature hole comes at number three, 453 yards of challenge requiring a combination of accuracy and distance to avoid two bunkers en route to the green. While the course boasts an extensive collection of sweet holes, numbers thirteen through fifteen - playing over the blue waters of Lake McIvor - are the real honeys here. More than 150,000 cubic metres of earth were moved to create the lake and the dramatic topography around it, yet the course maintains a perfect harmony with the natural terrain.
