The Dunes golf course has been dubbed "Nature's Golf Course in Kamloops, BC"

The Dunes golf course fairways carve through what was once the riverbed of the North Thompson River, creating a feel similar to that of links in Ireland. Wild fescue and wheat grass line the meticulously maintained greens make this nature's golf course. This Graham Cooke designed Dunes golf course boasts 7131 yards and is home to Bill Bilton Jr's Golf Academy, making it suitable for anyone from beginners to seasoned pros.

At the Dunes golf course you will enjoy all natural grass practice tees and the highest quality range balls. We open early and stay open late so that you have plenty of time to work on your game. The range is available to the public and suites every level of golfer. We will even offer you a club or two at no charge if you need one.

The Dunes golf course Practice and Learning Centre also features a massive practice putting and chipping green. If you need a little work on your green side or fairway bunker skills, The Dunes golf course Practice and Learning Centre is your choice. Newly added to the Centre is our short game pitching and lob shot area which feature targets from 10 to 75 yards to shoot at.

Bill Bilton Jr., CPGA Professional and Head Golf Coach of the National Champion TRU WolfPack Golf Team is the Head Instructor of the newly opened Bill Bilton Jr. Golf Academy. Set up as one complete and comprehensive program, the Academy has a unique approach to golf. It's a promise that golfers of all levels WILL improve their golf game. Much of that is owed to our multi-dimensional plan that combines training the body as well as the mind for optimal success. The immediate benefits include improved play leading to more enjoyment from the game.

**BIGHORN**  
GOLF & COUNTRY CLUB

**Big Horn Golf And Country Club (formerly Sun Rivers Golf Course)**  
1000 Clubhouse Drive V2H 1T9 Kamloops BC

Carved out of the spectacular benchlands of the Kamloops Mountains that overlook the city, the Sun Rivers golf course, designed by Graham Cooke, is one of the few true desert courses in Canada. Offering just under 7,000 yards of memorable golf, players will experience a wide variety of holes which feature dramatic elevation changes, sagebrush, classic bunkering, natural sand dunes, wide bent grass fairways, gently contoured greens and majestic vistas.

The driving range offers five target areas from the bent grass tee deck (Currently under construction due to heavy rain fall 2014). Surrounded by panoramic vistas, native sage on the 2nd hole, expressive sand dunes on the 3rd, elevated tees on the 4th, along with five exquisite finishing holes, golfers are provided with some of the finest golf in North America. The Sun Rivers golf course clubhouse is home to a fully equipped pro shop and the mouth-watering refreshments and cuisine of Hoodoos Restaurant overlooking the 18th fairway. Sun Rivers golf offers the ideal setting and venue for all skill levels and being located just five minutes from the downtown core means golfers are out of the car and on the course that much sooner. Play more. Drive less.

Be sure to bring your camera as you navigate through the holes and the housing community it backs onto. The homes for the most part are set well back from the courses, do not need to feel nervous about errant tee shots. You will enjoy the big tee shot and elevation change on hole number 14! Lots of hang time, then your second shot will be critical, as the drop to green is both inviting and a tad intimidating to select the correct club.

Sun Rivers Course Architect - Grahame Cooke has designed over 100 courses across the globe. Industry awards for Cooke include Golf Digest's "Best New Canadian Course" in 2005, 2003 and 2001. Two Kamloops courses, The Dunes and Sun Rivers golf, designed by Cooke were runners-up for "Best New Canadian Course".

**June 17th 2019 notice - We have leased out our restaurant to Masons, (a local restaurateur) and they have decided not to open until 11:00am. If there is a large group coming in, I can work with the restaurant and book them a breakfast if we know in advance. This will be the same for lunch/dinner we can book them into a private room for their event.**
