**Highland Pacific Golf**  
450 Creed Road, Victoria, BC V9B 6C9 Victoria BC

Highland Pacific Golf was created for golfers who want to enjoy a scenic, challenging championship golf course that is playable all year round. Highland Pacific overlooks the majestic Olympic Mountains, the Strait of Juan de Fuca and Thetis Lake Park. Don't let the views distract you this course has some surprises in store!

The Pacific Nine at Highland Pacific golf, with its incredible vistas and rolling fairways, was opened in October 2008 and the Highland Nine opened June, 2010. Total course length is 6,603 yards with six different sets of tee markers for all skill levels.

A bit of Highland Pacific golf history...

Nearly 50 years ago, local architect, historian and artist Herb Plasterer bought 190 acres of property next to Thetis Lake and envisioned building a public golf course on the property. Rather than subdivide the land straddling Saanich and View Royal municipalities, Herb and his wife Rose Maria wanted to maintain the property's natural beauty with space accessible to the public as a buffer to the adjacent parks. The natural features of the property lent itself well to his vision of outdoor recreation for the community.

Herb did not fulfill this dream in his lifetime so Rose Maria Plasterer and family's relied on the vision, craftsmanship and practical expertise of golf course architect Chris Young to create this uniquely beautiful and challenging golf course. The family chose the name Highland Pacific golf to honour the memory and the vision of Herb Plasterer. The HP logo used to represent Highland Pacific Golf is modeled after the chiseled signature used by Herb Plasterer on his art pieces.

The Valley Course at The Westin Bear Mountain Golf Resort & Spa, meanders through forest, borders lakes, and traverses creeks and rivers throughout its 18 holes, while offering spectacular views of British Columbia's beautiful landscape. In contrast to the existing Mountain course, the par 71 Valley course measures 6807 yards from the Golden Bear tees - around 400 yards shorter than its sibling. Factor in elevated tee boxes, more generous fairway widths, fewer bunkers and larger greens and the Valley course will likely be considered a 'friendlier' version of the original. Rolling through terrain at elevations of between 300 and 500 feet above sea level, there is still plenty of challenge, and many holes that could be considered the signature hole. One of 2 championship courses on-site.

Bear Mountain Resort has onsite accommodations with the Westin offering up a variety of rooms and suites. Choose from 156 elegant, well-appointed guestrooms or one bedroom suites boasting expansive views of the golf course fairways and Mount Finlayson. All guestrooms and suites feature our signature Heavenly Bed, luxurious bathrooms with deep soaker tubs, natural slate flooring. A limited selection of pet-friendly rooms are also available.

**Olympic View Golf Club**  
643 Latoria Road V9C 3A3 Victoria BC

Olympic View Golf Club, is a beautiful Par 72, 18 hole championship golf course located just 20 minutes from downtown Victoria on the southern tip of some great Vancouver Island golf trip options. Victoria, BC's capital city is home to Canada's mildest winters, allowing visitors and locals alike to enjoy golf year round BC golf trips.

Olympic View Golf Club boasts a variety of golf holes that compliment individual masterpieces. Nestled deep inside a pristine forest, natural beauty is punctuated by two waterfalls, twelve lakes, roaming deer, soaring eagles, and the beautiful snow peaked Olympic Mountains in the horizon. If some of the golf shots on this target venue quicken your pulse, the tranquility of our setting should help to calm and center you. The 17th hole encompasses enough natural beauty for an entire course. From the tee, aim toward a breathtaking 40 foot waterfall that frames the green 455 yards away.

This signature hole plays through a steep, narrow valley past a huge rock column and an elegant Japanese garden. It's no wonder Olympic View golf was the first golf course in British Columbia that Tiger Woods played, as an amateur in 1994.

Olympic View golf also hosts the award winning GBC Golf Academy. The GBC Golf Academy at Olympic View was voted the #1 Practice Facility in BC by Pacific Golf Magazine Readers Choice Awards 2005. The state-of-the-art facility features expansive grass tee decks, five target greens and three comprehensive short game areas. Covering over 14 acres and stretching to 330 yards, the facility offers everything to simulate real golf situations and better your entire game.
